# McGregor Nature Trophy

## Top Monthly Nature Image

This trophy was donated in 1956 by active club members Harry and Kay McGregor to promote Nature photography which was in its infancy at the time. Their home was always open to judging sessions and workshop activities. Harry died in 1964. Kay was a superior Nature photographer, achieving an A.R.P.S. in 1966. She was a judge, chaired the Nature competitions for many years, and gave workshops and lectures. Her work was published in nature magazines and calendars.

# David Nicholls Memorial Award

## Top Year-End Landscape Nature Image

The David Nicholls plaque reflects David's own interest in the natural landscape. A reproduction of one of his own photos – “a dramatic ancient tree against an ancient seashore” – is laser-etched onto the trophy. Throughout his membership in the TCC David served as president (1986-88), chairman of the nature division and Sunday night programs. He was also one of the founders of the GTCCC. Commencing in 2012 it is awarded for a "nature" landscape image.

# Christopher Siou Trophy

## Top Year-End Landscape Authentic Wildlife Nature Image

The Christopher Siou Trophy was established by the Board of Directors in 2014 to commemorate the occasion upon which Christopher Siou became the member of the Club who had the most lifetime winning images in the history of the Club. Although Christopher's interests and talents encompassed all aspects of Club competitions, his special interest was nature images and he chaired the Club's Nature Images competitions for many years. Accordingly, the Directors chose this particular interest to honour this lifetime achievement of Christopher's.

# Cliff Pugh Memorial Trophy

## **Top Audio / Visual Presentation by a maker not recently awarded**

Cliff Pugh joined the club in the early 1940's when he became interested in colour photography. He specialized in portraiture and was a master exhibitor in club competitions and salons, receiving Three and Four Star Awards of Merit from the PSA. In 1963 he was elected a Fellow of the PSA. He was a past president (1956-57), judge and master lecturer, and served as president and program chairman. He (with others) was instrumental in the purchase of the new building, and in 1967 started the club's School of Photography. The TCC presented him with an Honourary Life membership in 1970.

This trophy was donated by his wife in 1972. Originally it was for travelogues. Subsequently it was changed for "5 minute" photo essays, then in 2008 for "creative" essays. It is presently awarded for Audio / Visual Presentations as part of the club's Year End competitions.

# Frank Pogue Trophy

**For TCC Beginner showing most progress in all forms of photography during club year**

Frank Pogue joined the club in 1942 and was an active member serving as director, member of the board and program director. He was salon director for 16 years. He donated the trophy to the club in 1952 to encourage and reward those beginners who competed. When he died in 1964, the club had the trophy re-inscribed and named it after him. Over the years the trophy description was expanded to include **“outstanding interest and participation in club activities.”**

# Buckley Trophy

## For the most winning points in the Beginners Division

This trophy was donated in 1975 by Dorothy and Syd Buckley (past president 1979-81) who wished to encourage beginners in colour pictorial and nature photography. It was designed by Dorothy, who wanted something free-form and natural. A suitable piece of driftwood they found at Fahrquar Lake was attached to a base made of a piece of maple from an old tree in the Buckleys' garden. A trophy shop added the figure of the photographer. It was originally awarded for Pictorial and Nature Slides and then for digital Projected Images and Nature Images. Commencing in 2012 it is awarded for the most winning images in the Beginners Division
